Drainage channels
ANRIN GmbH

STATEMENT BY KIWA

This product certificate is issued on the basis of BRL 5211 "Elementen voor lijnafwatering" dated August 15, 2017, in accordance with the Kiwa Product Certification Regulations.

The quality system and product characteristics associated with Drainage channels are checked periodically.

On this basis Kiwa declares that a justified confidence exists, that the drainage channels delivered by the certificate holder at delivery fulfill:

- the technical specification laid down in this product certificate;
- the product requirements as laid in the BRL;

provided that has/have been marked with the KOMO®-mark in a manner as indicated in this product certificate.

The essential requirements, as laid down in the relevant European Standard and the accompanying assessment of the quality system of these requirements are excluded from this statement.

Luc Leroy
Kiwa

Drainage channels

TECHNICAL SPECIFICATION

SUBJECT

The products are intended for use as part of a drainage channel system for the collection and transportation of wastewater in the following conditions for application:

- Pedestrian areas and vehicular areas.

PRODUCT SPECIFICATION

The drainage channels comply to the requirements laid down in BRL 5211.

The following drainage channels are covered by this product certificate:

SF 100	KE 100	KF 100
SF 150	KE 150	
SF 200	KE 200	
SF 300		

MARKING

The products are marked with the adjacent KOMO®-mark

The design of the mark is as follows:

The execution of this mark is as follows: a label or stamp.

Compulsory indications:

- producer or trademark;
- production place;
- production date (eventually in code);
- designation Class conform NEN-EN 1433;

Where applicable;

- the sequence of the elements in case of an inbuild gradient.

RECOMMENDATION FOR THE CUSTOMER

Check at the time of delivery whether:

- the supplier has delivered in accordance with the agreement;
- the mark and the marking method are correct;
- the products show no visible defects as a result of transport etc.

if you should reject a delivery on the basis of the above, please contact:

- ANRIN GmbH in Anröchte;;
- and, if necessary:
- Kiwa Nederland B.V.

Consult the certificate holder's guidelines for the correct method of storage, transport and processing.

In the framework of this quality declaration the justification of the performance of the essential characteristic is not checked.

The declarations in this quality certificate should not be used to replace the CE marking and/or the corresponding mandatory Declaration of Performance.
